PLAINTIFF'S MOTION IN LIMINE

Plaintiff, Sherine Gray, by her attorney, Edmund B. Moran, Jr., hereby moves in limine to bar certain evidence that defendants intend to introduce at trial. In support of this motion, Plaintiff states as follows:

1. Defendants intend to introduce evidence of plaintiff's conviction of a charge of disturbing the peace arising from the incident which is the subject of the complaint in this case.

2. Defendants also intend to introduce evidence of two prior convictions of Plaintiff for prostitution and/or giving a massage without a license.

3. The disturbing the peace conviction should be barred as it is irrelevant. It does not relate to the circumstances surrounding defendants' use of force.

4. The prior convictions should be barred under Federal Rule of Evidence 403 as their probative value is far outweighed by their capacity for unfair prejudice, confusion of the issues, and their potential to inflame and mislead the jury.
